Dear Sir

Enclosed I send you two dollars and fifty cents being money rec^d. from Mr. John Simonton sen^r. in advance for the Presbyterian which amt. you will please acknowledge the receipt of and by so doing you will greatly oblige for a few numbers back the paper has not been rec^d. which perhaps may have been owing to some mismanagement through the P. Offices some where on the line as they might be detained, as the old Gentleman requested me to inform you of the above but I think he has little reason for being so slow as his papers heretofore have been very regularly rec^d. and I believe now has misread one until lately in which he has been quite fortunate from the length or distance of the line of mails through which the paper has to pass.

I am dear Sir

Yours very Respectfully

Wm. J. Martin
